

PRIAM on GForge

A forge is now available for collaborative work on INRIA Gforge: <http://gforge.inria.fr/>

Steps to use it:

<http://siteadmin.gforge.inria.fr/gforge.html>

- Create an account on the forge.
- Send your login to the PRIAM mailing list, to be added to the project.
- Configure your SSH access.
- Have fun to checkout, commit files of the project.
